Biking Tour

Join our guided bicycle tours and explore old Nicosia through multiple points of historical interest through and across the dividing line including mosques, churches, markets, khans and gates, starting and finishing at the Home for Cooperation, in the buffer zone.

Participants are free to use their own bikes, or hire one of the 10 bicycles available at the Home for Cooperation. The bike tours last for approximately two hours.

Register and book your bike byfilling this form^[1]
