Welcome note from the Artistic Director

I believe artists to be problem-setters and problem-solvers, provocateurs and peace-builders, receivers and amplifiers of the relevant issues of our times. Living in an increasingly divisive world, performance art plays an important role in shifting the common narrative and perspective toward a society that is inclusive, multi-cultural and multi-faceted – a society that celebrates what we have in common rather than emphasizing on what sets us apart.

In this context, the *Home for Cooperation* with its mission to create a safe space for dialogue and co-creation, is an inspiration to me as an artist living in Cyprus – its values of diversity, solidarity and respect the impetus for building upon their firm commitment to performance and this growing festival.

Over 300 artists and artist groups from around the world have followed this year's Open Call under the Festival Theme "Breaking Point", covering a dazzling range of topics and forms from dance to performance, from interactive- to devise-theatre, game-formats to visual theatre, site-specific work, to performance without performers.

2 Main Stages across the divide are set up as "Mirrors" in the *Old Municipal Market* and the *Bandabuliya* for 15 local and international artists to "communicate" to each other. The Fifth Edition also marks the kick-off of a variety of new MicroFormats toward a more sustainable and long-term investment in artists, audiences, partners and venues alongside the festival's main stages and beyond the duration of the Festival.

As Artistic Director, I am honoured to play my part in expanding the scope of this important anchor and influencer in the performing arts scene, and to enable artists to continue to question our perspectives and beliefs, break down established barriers and thinking patterns and together with our audience dare to re-imagine co-existence.

I want to thank the entire Home for Cooperation team, our supporters, partners, volunteers, the participating artists and you, the audience, for continuing to support this unique festival.

Enjoy the Festival days in Nicosia, Limassol, Kyrenia and Paphos.

Καλωσόρισμα από τον Καλλιτεχνικό Διευθυντή

Πιστεύω ότι οι καλλιτέχνες είναι ρυθμιστές και επιλυτές προβλημάτων, προωθητές και οικοδόμοι της ειρήνης, δέκτες και ενισχυτές των θεμάτων που απασχολούν την εποχή μας. Ζώντας σε ένα όλο και πιο πλούσιο σε ποικιλομορφία κόσμο, η παραστατική τέχνη παίζει ένα σημαντικό ρόλο στην αλλαγή της κοινής αφήγησης και προοπτικής προς μιας κοινωνία χωρίς αποκλεισμούς, πολυπολιτισμική και πολύπλευρη – μια κοινωνία που γιορτάζει αυτό που έχουμε κοινό παρά να δίνει έμφαση σε ό, τι μας ξεχωρίζει.

Στο πλαίσιο αυτό, το *Σπίτι της Συνεργασίας* έχοντας ως αποστολή του τη δημιουργία ενός ασφαλούς χώρου για διάλογο και συνεργασία, είναι πηγή έμπνευσης για μένα ως καλλιτέχνη, που ζει στην Κύπρος - οι αξίες της διαφορετικότητας, της αλληλεγγύης και του σεβασμού τις οποίες υπηρετεί, η αποφασιστικότητά του να οικοδομήσει πάνω στη σταθερή του προσήλωση στις παραστατικές τέχνες και αυτό το αναπτυσσόμενο φεστιβάλ.

Πάνω από 300 καλλιτέχνες και ομάδες καλλιτεχνών από όλο τον κόσμο έχουν ανταποκριθεί στην Ανοικτή Πρόσκληση του φετινού Φεστιβάλ που έχει θέμα «Breaking Point» (οριακό σημείο) καταθέτοντας μια εκθαμβωτική σειρά θεμάτων, που κα από τον χορό μέχρι το θέατρο, από το διαδραστικό στο επινοημένο θέατρο, από τη φόρμα παιχνιδιού στο εικαστικό θέατρο, από τις site-specific περφόρμανς, σε περφόρμανς χωρίς περφόρμερ.

Για τις ανάγκες του Φεστιβάλ, έχουν στηθεί, για καλλιτέχνες από την Κύπρο και το εξωτερικό, ως «καθρέπτες, εκατέρωθεν της διαχωριστικής γραμμής, δύο Κεντρικές Σκηνές, η στην Παλαιά Δημοτική Αγορά και η άλλη στο Παντοπωλείο (*Bandabulija*), με στόχο να επικοινωνούν η μια με την άλλη.

Η πέμπτη έκδοση του Φεστιβάλ σηματοδοτεί επίσης την έναρξη της μιας ποικιλίας νέων ΜικροΜορφών (*MicroFormats*) με στόχο μια βιώσιμη και μακροπρόθεσμη επένδυση σε καλλιτέχνες, ακροατές, συνεργάτες, παράλληλα με τις κύριες εκδηλώσεις του φεστιβάλ και πέραν από τη διάρκειά του.

Ως Καλλιτεχνικός Διευθυντής, έχω τιμή να έχω ρόλο στην επέκταση του πεδίου αυτού του σημαντικού σημείου αναφοράς και επιρροής στη σκηνή των καλλιτεχνικών πραγμάτων και να επιτρέψω στους καλλιτέχνες να συνεχίσουν να αμφισθητούν τις προοπτικές και τις σκέψεις μας, να γκρεμίζουν τις εμπεδωμένες διαχωριστικές γραμμές και τρόπους σκέψης και μαζί με το κοινό να τολμούν να ξανα-φανταστούν τη συνύπαρξη.

Θέλω να ευχαριστήσω ολόκληρη την ομάδα του *Home for Cooperation*, τους υποστηρικτές, τους συνεργάτες και τους εθελοντές μας, τους συμμετέχοντες καλλιτέχνες και εσάς, το κοινό, γιατί συνεχίζετε να υποστηρίζεται αυτό το μοναδικό φεστιβάλ.

Απολαύστε τις μέρες του φεστιβάλ στη Λευκωσία, Λεμεσό, Κερύνεια και την Πάφο.

Sanat Yönetmeninin Notu

Ben sanatçılardan problem yaratanlar ve çözenler olduğunu, provakatör ve bariş çalışanları, günümüzün önemli sorunlarının algılayıcı ve yansıtıcıları olduğunu düşünüyorum.

Gittikçe daha çok bölücü olan bir dünyada, performans sanatı ortak anlatımları ve daha kapsayıcı, çok kültürlü ve çok yüzlü bir topluma yönelik algıları değiştirmekte önemli bir rol oynar. Bizi birebirinden ayıranları değil, ortak noktalarımızı vurgulayan bir toplum.

Bu bağlamda Dayanışma Evi, diyalog ve yaratıcılık için güvenli bir ortam yaratma amacıyla, Kıbrıs'ta yaşayan bir sanatçı olarak benim için ilham verici. Bunun yanısıra çeşitlilik, dayanışma ve saygı değerleri, bu festivalin büyümüşindeki itici güçleri oluşturuyor.

Bu yılın "Kirılma Noktası" temasıyla duyurulan açık çağrısına 300'ün üzerinde sanatçı ve grup, danstan performansa, interaktiften doğaçlama tiyatroya, oyun biçiminden görsel tiyatroya, mekana özgü işlere ve sanatçı olmayan performanslara bir çok alanda göz kamaştırıcı başvuruyla yanıt verdi.

Bu yıl sınırın iki yanında "ayna" şeklinde seçilmiş iki sahnede – Eski Belediye Pazarı ve Bandabuliya – 15 yerli ve yabancı sanatçı birbirleriyle "iletişim" kuruyor. Festivalin beşinci yılı, aynı zamanda sanatçılardır, ortaklar ve seyircilere yönelik uzun vadeli yatırım amacımızın bir yansımıası olarak, ana sahne ve festival süresi dışında sürecek olan, bir çok yeni MicroFormat'ın da başlangıcı oldu.

Sanat yönetmeni olarak, performans sanatları sahnesindeki bu önemli mihenk taşıının büyümесinde bir rol oynayabildiğim ve sanatçılardan inanışımızı ve bakış açılarımızı sorgulamaları, sınırları yıkma devam edecekleri bir platform sunabildiğim ve seyircilerle birlikte bir arada yaşamayı hayal etme cesareti gösterebildiğim için onur duyuyorum.

Tüm Dayanışma Evi ekibine, destekçilerimize, ortaklarımıza, gönüllülerimize, festival katılan sanatçılara ve size, seyircilerimize bu eşsiz festivali desteklemeye devam ettiğiniz için teşekkür etmek istiyorum.

Lefkoşa, Girne ve Baftaki festival günlerinden keyif almanız dileğiyle...

A note from The Home for Cooperation

Home for Cooperation have a vision of a multicultural society in Cyprus, in which all cultures co-exist without any segregation in any aspect of life. To this end, we are constantly working on creative ways to initiate interaction and communication between the communities of Cyprus in order to weaken the stereotypes and misconceptions about the “other” that results from the existing divide.

A performing arts festival has proven to be the best tool to trigger discussions about personal or collectivistic traumas that the people of Cyprus have experienced in the past and to promote understanding, respect and finally trust in one another. Buffer Fringe Performing Arts Festival, which was born out of a unique local situation, has established itself as a highly respected international festival.

The Home for Cooperation vows for a long-term commitment to establish a better future for Cyprus. We imagine something different than what we live within the present. It is through imagination that we understand possibilities, and learn to innovate. We hope you enjoy the fifth edition of Buffer Fringe Performing Arts Festival and thank you for showing your belief in the transformative power of arts by joining our events.

With cooperation,
Home for Cooperation

Σημείωμα από το Σπίτι της Συνεργασίας

Το Σπίτι της Συνεργασίας οραματίζεται μια πολυπολιτισμική κοινωνία στην Κύπρου όπου όλες οι κοινωνίες συνυπάρχουν χωρίς διαχωρισμούς σε κάθε πλαίσιο. Προς την κατεύθυνση αυτή, εργάζομαστε για τη δημιουργία ευκαιριών άμεσης αλληλεπίδρασης και επικοινωνίας ανάμεσα στις κοινότητες της Κύπρου με στόχο να αποδυναμώσουμε τα στερεότυπα και τις παρεξηγήσεις για τον «άλλο» οι οποίες απορρέουν από τον παρόντα διαχωρισμό.

Το θέατρο παραστατικών τεχνών έχει αποδειθεί το βέλτιστο εργαλείο για την ενεργοποίηση συζητήσεων γύρω από το ατομικό ή το συλλογικό τραύμα το οποίο έχουν βιώσει οι άνθρωποι στην Κύπρο στο παρελθόν και για να πρωθήσουμε

κατανόηση και σεβασμό και, τελικά, εμπιστοσύνη του ενός για τον άλλο. To Buffer Fringe Performing Arts Festival, το οποίο ξεκίνησε μέσα από μια μοναδική τοπική κατάσταση, έχει πλέον εδραιωθεί ως ένα διεθνές φεστιβάλ το οποίο χαίρει υψηλής εκτίμησης.

Το Σπίτι της Συνεργασίας έχει αναλάβει μια μακρόχρονη δέσμευση για να πρωθήσει ένα καλύτερο μέλλον για την Κύπρο. Φανταζόμαστε κάτι διαφορετικό από αυτό που βιώνουμε στο παρόν. Μέσα από τη δύναμη της φαντασίας αντιλαμβανόμαστε δυνατότητες και μαθαίνουμε να πρωτοτυπούμε. Ελπίζουμε να απολαύσετε την πέμπτη έκδοση του Buffer Fringe Performing Arts Festival και ευχαριστούμε για την πίστη που δείχνετε στην μετασχηματιστική ισχύ της τέχνης συμμετέχοντς στις δραστηριότητές μας.

Dayanışma Evi'nin Notu

Dayanışma Evi'nin tüm kültürlerin bir arada yaşadığı, hayatın hiçbir alanında ayrımcılık olmayan, çok kültürlü bir Kıbrıs toplumu vizyonu vardır. Bu amaçla, adamızdaki bölünmelişlikten kaynaklanan öн yargılar ve yanlış algıları zayıflatmak amacıyla sürekli olarak toplumların iletişim kurabilecegi yaratıcı yollar geliştirmek için çalışıyoruz.

Bir performans sanatları festivali Kıbrıslıların yaşadıkları kişisel ve toplumsal travmalar konusunda tartışmaları tetiklemek ve anlayış, saygı ve güven oluşması için en iyi araçlardan biri oldu. Benzersiz bir yerel durumdan doğan Buffer Fringe Performans Sanatları Festivali, kendisini saygı gösteren uluslararası bir sanat festivali konumuna getirmeyi başardı.

Dayanışma Evi, Kıbrıs'ın daha iyi bir geleceğe sahip olmasına yönelik çalışacağına dair uzun vadeli bir bağlılık yemini etmiştir. Bizler içinde yaşadığımız durumdan farklı bir durum hayal ediyoruz. Olasılıkları anlamak ve gelişimi öğrenmenin yolu hayal etmekten geçer. Buffer Fringe Performans Sanatları Festivali'nin beşinci yılını beğenecinizizi umuyoruz. Etkinliklerimize katılarak sanatın dönüştürücü gücüne olan inancınızı gösterdiğiniz için teşekkür ederiz.

Buffer Fringe Performing Arts Festival

Buffer Fringe Performing Arts Festival was developed by the Home for Cooperation team in 2014, with the idea of providing a platform to question sensitive topics, expressing ideas in new and creative ways. This will enable people to engage with one another regardless of the dominant historical narratives, ideologies or identities which are very much politicized and often divisive for the peoples of Cyprus.

The Festival's programming offers both local and international artists a platform to showcase their work and is organized in a way that artists can meet and interact both amongst themselves and with the audiences in a true celebratory spirit of multiculturalism and peaceful coexistence. Taking place in a divided country, Buffer Fringe Festival assumes more responsibilities than an arts festival taking place elsewhere. It is one of a kind in Cyprus and the world.

In 2018, Buffer Fringe celebrates its 5th consecutive year with the theme "Breaking Point" with a growing number of participating artists and local & international interest; and with several micro formats, investing further in artist and audience development.

This year also marks a great step in establishing new partnerships across Cyprus including Limassol, Kyrenia and Paphos.

Buffer Fringe Φεστιβάλ Παραστατικών Τεχνών

To Buffer Fringe Performing Arts Festival ξεκίνησε το 2014, με πρωτοβουλία της ομάδας του Σπιτιού της Συνεργασίας, με την ιδέα να παρέχει μια πλατφόρμα που να επιτρέπει την κριτική διερεύνηση ευαίσθητων θεμάτων και τη διατύπωση ιδεών μέσα από νέους και δημιουργικούς τρόπους. Αυτό θα επιτρέψει την αλληλεπίδραση των ανθρώπων πέραν των κυρίαρχων ιστορικών αφηγήσεων, ιδεολογιών και ταυτότητων οι οποίες είναι ιδιαίτερα πολιτικοποιημένες και συχνά διαιρετικές για τους ανθρώπους της Κύπρου.

To Buffer Fringe Performing Arts Festival αναδεικνύει νέα και πειραματική δουλειά από ντόπιους και διεθνείς καλλιτέχνες, αντιμετωπίζει κριτικά φυσικά και καλλιτεχνικά σύνορα και δημιουργεί ευκαιρίες για επαφή και ανταλλαγή ιδεών ανάμεσα σε καλλιτέχνες. Αντιμετωπίζει κριτικά παγιωμένες ιδέες για τις παραστατικές τέχνες, τη σχέση μεταξύ των καλλιτεχνών και του κοινού ρίχνει νέο φως στις τέχνες και την κοινωνία. Το πρόγραμμα του Φεστιβάλ παρέχει σε ντόπιους και διεθνείς καλλιτέχνες την ευκαιρία να καταθέσουν τη δουλειά τους και είναι με τέτοιο τρόπο οργανωμένο που επιτρέπει στους καλλιτέχνες να αλληλεπιδράσουν τόσο μεταξύ τους όσο και με το κοινό σε ένα πανηγυρικό πνεύμα πολυπολιτισμικότητας και ειρηνικής συμβίωσης. Λαμβάνοντας χώρα σε μια διαιρεμένη χώρα, το Buffer Fringe Festival αναλαμβάνει πολύ περισσότερες ευθύνες από οποιοδήποτε άλλο καλλιτεχνικό φεστιβάλ που γίνεται κάπου αλλού. Είναι μοναδικό τόσο για την Κύπρο όσο και διεθνώς.

Buffer Fringe Performans Sanatları Festivali

Buffer Fringe Performans Sanatları Festivali Dayanışma Evi tarafından 2014'te, hassas konuları sorgulamak, düşünceleri yeni ve yaratıcı yollarla ifade etmek için bir platform olarak geliştirildi. Böylece bireyler, Kıbrıs'ta genellikle bölücü niteliğe sahip olan baskın tarihsel anlatılar, ideolojiler veya kimliklerden bağımsız olarak birbirleriyle iletişim kurabileceklerdir.

Festival programı hem yerli hem de yabancı sanatçılara eserlerini sergileyebilecekleri ve hem kendileri hem de seyircilerle çok kültürlü bir festival ortamında iletişim kurabilecekleri huzurlu bir ortam sunuyor. Bölünmüş bir ülkede gerçekleşen Buffer Fringe Festivali, dünyanın herhangi bir yerinde gerçekleşen herhangi bir sanat festivalinden daha fazla sorumluluk taşıyor. Bu anlamda Festival hem Kıbrıs hem de dünyada türünün tek örneğidir.

2018 yılında, Buffer Fringe beşinci yılını "Kırılma Noktası" temasıyla ve artan sanatçı sayısı ve uluslararası ilgiyle; bir çok yeni formatla sanatçı ve seyirci gelişimine olan katkısını artırarak kutluyor. Bu yıl aynı zamanda, Limassol, Girne ve Baf dahil olmak üzere, Kıbrıs'ın her yanında kurulan yeni iş birliklerinin başlangıcını simgeliyor.

Şimdi tüm fiziksel ve mental bariyerleri yikan ilgi çekici performansların ve muhteşem yeteneklerin tadını çıkarma zamanı.

Şimdi Kırılma Noktası'nda buluşmanın zamanıdır.

HOME VISIT EUROPE [GERMANY]

Home Visit Europe is a performance you can put in your hand luggage - big ideas are rarely presented so intimately. Having toured across 5 continents, 37 cities and hundreds of private homes, the multiple award-winning and internationally renowned theatre collective Rimini Protokoll contrasts this abstract idea of Europe with the individuality of a private apartment. Is Europe a geographic border, a cultural identity, a coalition of states? 15 people meet in a living room to interweave personal stories with the political mechanisms of Europe.

Initiated and supported by the Goethe-Institut Cyprus, organized by the Home for Cooperation in the frame of Buffer Fringe Performing Arts Festival.

To «Home Visit Europe» είναι μια παράσταση που μπορείτε να βάλετε στις χειραποσκευές σας -οι μεγάλες ιδέες σπάνια παρουσιάζονται με αυτή την οικειότητα. Έχοντας ταξιδέψει σε 5 ηπείρους, 37 πόλεις και εκατοντάδες ιδιωτικές κατοικίες, το πολυβραβευμένο και παγκοσμίου φήμης συλλογικό θέατρο Rimini Protokoll. Αντιπαραβάλλει αυτή την αφηρημένη ιδέα της Ευρώπης με την ατομικότητα ενός ιδιωτικού διαμερίσματος. Είναι η Ευρώπη ένα γεωγραφικό σύνορο, μια πολιτιστική ταυτότητα, ένας συνασπισμός κρατών; 15 άτομα συναντώνται σε ένα σαλόνι για να διασυνδέσουν προσωπικές ιστορίες με τους πολιτικούς μηχανισμούς της Ευρώπης.

Ξεκίνησε και υποστηρίχθηκε από το Goethe- Institut Cyprus, διοργανώνεται από το Σπίτι της Συνεργασίας στο πλαίσιο του Φεστιβάλ Buffer Fringe Performing Arts.

Avrupa Ev Ziyaretleri el çantanıza koyabileceğiniz bir performans – büyük fikirler sıklıkla bu kadar yakından sunulmazlar. 5 kıta, 37 şehir ve yüzlerce evi ziyaret eden, uluslararası bir çok ödülü sahip, meşhur Rimini Protokoll'e ait olarak proje, soyut Avrupa kavramını bir evin bireyselliği ile karşılaştırıyor. Avrupa bir coğrafi sınır mı, kültürel bir kimlik mi, bir devletler topluluğu mu? 15 kişi bir oturma odasında kişisel hikayeleriyle Avrupa'nın siyasi işleyişini biribiine dokuyor.

Bu proje Goethe Enstitüsü tarafından başlatılmış ve desteklenmiş ve Dayanışma Evi tarafından Buffer Fringe Performans Sanatları Festivali çerçevesinde organize edilmiştir.

Everything is OK [ITALY] 35'

Everything is OK is a one-man performance challenging the information and sensory overload of the digital age. Winner of the *Teatro Libero di Palermo Prize* (2017), Marco D'Agostin bombards the audience with an uninterrupted chain of movement. Marco D'Agostin's articulate, precise body is a container, throwing out images and postures recalled from the entertainment world. It's as if both dancer and audience are being tested - every movement is leading towards sweat-soaked exhaustion. When will our gaze get tired and surrender? For this crowd of tired eyes: what's left to see?

Το "Everything is OK" είναι ένα σόλο περφόρμας, που τοποθετείται κριτικά απέναντι στην πληροφοριακή και αισθητηριακή υπερφόρτωση της ψηφιακής *Libero di Palermo* (2017). Ο Marco D' Agostin βομβαρδίζει το κοινό με μια αδιάκοπη ροή κίνησης. Το αρθρωτό, ακριβές σώμα του Marco D'Agostin είναι ένα δοχείο, το οποίο εκβάλλει εικόνες και στάσεις που παραπέμπουν στον κόσμο της ψυχαγωγίας. Είναι σαν να δοκιμάζονται τόσο ο χορευτής όσο και το κοινό - κάθε κίνηση οδηγεί σε μια εμποτισμένη με ιδρώτα εξάντληση. Πότε το βλέμμα μας θα κουραστεί και θα παραδοθεί; Για αυτό το πλήθος κουρασμένων ματιών: τι έχει απομείνει για να δει;

Everything is OK dijital çağdaki bilgi ve duyu aşısı yüklemesine meydan okuyan tek kişilik bir performanstır. Teatro Libero di Palermo 2017 Ödülü'nü kazanan Marco D'Agostin, seyirciyi kesintisiz bir hareket yağmuruna tutuyor. Marco D'Agostin'in ifade gücü yüksek, keskin vücudu bir kap haline getiriyor ve bizlere eğlence dünyasından duruşlar ve görüntüler fırlatıyor. Sanki hem dansçı hem de seyirci bir sınavda tabii tutuluyor – her hareket terli bir yorgunlukta son buluyor. Gözlerimiz ne zaman yorulup da teslim olacağız? Bu kalabalık, yorgun gözler için: daha görecek ne kaldı?

VENTURE

20'

Venture [CYPRUS]

In a reality in which life considers highly what is transitory rather than permanent, the work challenges notions of fixity, rootedness and stability.

Sevim Akpinar creates an ever-changing physical environment, in which three bodies create a constant state of mobility and transformation that mark new beginnings and a search for refuge. How does the space shape the body that moves with it and how is the body inscribed by this constant journeying? It is the whole idea of re-inventing her engagement with the landscape she traverses by constantly relocating to the "unfamiliar" where a sense of belonging and orientation is to be found.

Σε μια πραγματικότητα στην οποία η ζωή θεωρεί εξαιρετικό αυτό που είναι μεταβατικό και όχι μόνιμο, το έργο αντιμετωπίζει κριτικά αντιλήψεις για τη σταθερότητα, τα θεμέλια και την ευστάθεια.

Η Sevim Akpinar δημιουργεί μια σταθερή κατάσταση κινητικότητας και μεταμόρφωσης οι οποίες σηματοδοτούν νέες αρχές και αναζήτηση καταφυγίου. Πώς ο χώρος διαμορφώνει το σώμα που κινείται μέσα σε αυτόν και πώς το σώμα χαράσσεται από αυτό το συνεχές ταξίδι; Είναι η όλη ιδέα της επανεφεύρεσης της δέσμευσής της με το τοπίο που διασχίζει, μεταφερόμενη συνεχώς στο «μη οικείο» όπου αναμένεται να εντοπιστεί μια αίσθηση του ανήκειν και προσανατολισμού.

Hayatın sürekli olan yerine geçiş halinde olanı tercih ettiği bir gerçeklikte, bu eser, sabitlik, köklenmişlik ve kararlılık söylemlerine meydan okuyor. Sevim Akpinar, üç vücutun sürekli hareket ettiği ve yeni başlangıçlarla sığınma arayışına girdiği, sürekli değişen bir fiziksel ortam yaratıyor. Mekan onunla birlikte hareket eden vücudu nasıl şekillendiriyor ve vücut bu sürekli seyahat halinden ne kazanıyor? Performans sürekli olarak yabancı mekanlarda yer değiştirek bir aidiyet arama çabasını sergiliyor.

Eyolf Machine [CYPRUS, GREECE]

1 Director and 2 Cypriot performers collaborate to explore concepts of brutality in a modern family. Based on Ibsen's Little Eyolf and using cross-disciplinary elements from contemporary dance and theater, Eyolf Machine questions power mechanisms within family, post-colonial societies and the art scene itself. The struggle to find personal paths in world full of expectations, violent emotions, feelings of denial, abandonment, loss and revenge, silences, blasts and the robust presence of pop and queer culture compose a piece that raises burning questions about the brutal world we live in.

1 Σκηνοθέτης και 2 Κύπριοι καλλιτέχνες συνεργάζονται για να διερευνήσουν έννοιες βιαιότητας σε μια σύγχρονη οικογένεια.

Βασισμένο στο Little Eyolf του Ibsen και χρησιμοποιώντας διεπιπτημονικά στοιχεία από τον σύγχρονο χορό και το θέατρο, το Eyolf Machine, θέτει σε κριτική θεώρηση μηχανισμούς εξουσίας μέσα στις οικογένειες, τις μετααποικιακές κοινωνίες και την ίδια την τέχνη. Ο αγώνας αναζήτησης προσωπικών διαδρομών σε ένα κόσμο γεμάτο προσδοκίες, βίαια συναισθήματα, συναισθήματα άρνησης, εγκατάλειψης, απώλειας και εκδίκησης, σιωπές, εκρήξεις και η ισχυρή παρουσία της pop και queer κουλτούρας, συνθέτουν ένα δρώμενο που εγείρει καυτά ερωτήματα για το βάναυσο κόσμο στον οποίο ζούμε.

ReDoing Gender 1.5 [CYPRUS, DENMARK]

After extensive touring throughout Europe, ReDoing Gender 1.5 premieres in Cyprus. This award-winning solo by acclaimed Cypriot artist Andreas Constantinou, challenges patriarchal masculinities in a measure to question normative and non-normative male gender roles. From classical sculptures of male ideals, a gender confused ape, feminized frolics, a box headed individual, to a full-grown baby with a man's body, ReDoing Gender 1.5 is filled with intense imagery that displays one man's search for an identity amid the gaze of a patriarchal society.

Μετά από μια μακρά περιοδεία σε όλη την Ευρώπη, το "ReDoing Gender 1.5" κάνει πρεμιέρα στην Κύπρο. Το βραβευμένο σόλο από το αναγνωρισμένο Κύπριο καλλιτέχνη, Ανδρέα Κωνσταντίνου, επερωτά την πατριαρχική πρόσληψη της αρρενωπότητας τοποθετούμενο κριτικά απέναντι ότι θεωρούνται κανονιστικοί και μη κανονιστικοί ρόλοι ανδρικού φύλου. Με αναφορά σε κλασικά γλυπτά του ανδρικού ιδεώδους, ένα πίθηκο σε σύγχυση φύλου, θηλυπρεπή καρμώματα, ένα άτομο με κεφάλι-κουτί, ένα πλήρως αναπτυγμένο βρέφος με αντρικό σώμα, το "ReDoing Gender" είναι γεμάτο με έντονες εικόνες που παραπέμπουν στην αναζήτηση ενός άνδρα για ταυτότητα μέσα στο βλέμμα μιας πατριαρχικής κοινωνίας.

ReDoing Gender 1.5, Avrupa'da çok geniş bir turdan sonra Kıbrıs'a geliyor. Kıbrıslı sanatçı Andreas Constantinou'ya ait olan bu ödüllü solo gösteri, ataerkil maskülenlige meydan okuyarak, kuralcı ve kuralcı olmayan erkek rollerini sorguluyor. ReDoing Gender 1.5, idealize edilmiş klasik erkek heykellerinden, cinsiyeti konusunda akı karışık bir maymuna, kadınıs eğlencelerden, kutu şeklinde bir kafası olan bireye ve yetişkin bir erkek vücuduna sahip bir bebeğe kadar, bir erkeğin ataerkil bir toplumdaki kimlik arayışını gözler önüne seriyor.

Après la Chronique [SPAIN]

Après la Chronique is a multi-disciplinary performance using robotics, movement, and sound art which investigates a sense of social isolation in our hyper-connected society. The initial situation is mundane: two performers, stylized as twin-figures, are sitting at a table and eat. The scenario gradually changes into an absurd, surreal charade, in which both performers are threatened to sink into their own worlds. Through meticulous precision and decelerated movements by the performers a densely poetic and dark atmosphere of isolation unfolds, which, through its reduction and concentration, is reminiscent of the visual language of the Black Mirror series or the nightmarish world suggested by David Lynch.

Η "Après la Chronique" είναι μια διεπιστημονική παράσταση που με τη χρήση της ρομποτικής, της κίνησης και της τέχνης του ήχου διερευνά την αίσθηση της κοινωνικής απομόνωσης στην υπερσυνδεδεμένη κοινωνία μας. Η αρχική κατάσταση είναι πεζή: δύο ερμηνευτές, στυλιζαρισμένοι ως δίδυμοι αριθμοί, κάθονται στο τραπέζι και τρώνε. Το σενάριο μεταβάλλεται σταδιακά σε μια παράλογη, σουρεαλιστική σκηνή, στην οποία και οι δύο ερμηνευτές απειλούνται να βυθιστούν στους δικούς τους κόσμους. Μέσα από σχολαστική ακρίβεια και επιβραδυνόμενες κινήσεις από τους ερμηνευτές, η ποιητικά έντονη και σκοτεινή, ατμόσφαιρα της απομόνωσης, ξεδιπλώνεται, η οποία, μέσω της σμίκρυνσης και της συμπύκνωσης της, παραπέμπει στην εικαστική γλώσσα της σειράς Black Mirror ή τον εφιαλτικό κόσμο που προτείνει ο David Lynch.

Après la Chronique, robot, hareket ve ses sanatını kullanarak hiper-konnekte olmuş bir toplumda bireylerin sosyal yalnızlığını irdeleyen, çok yönlü bir performanstır. Başlangıçtaki durum oldukça sıradandır: iki sanatçı, bir-birlerinin ikili olarak stilize edilerek bir masada oturup yemek yiyorlar. Senaryo gittikçe absurd bir hal alıyor ve iki sanatçı da kendi dünyalarına batma tehlikesiyle karşı karşıya kalyorlar. Sanatçılar, özenli, kesin ve yavaş hareketlerle, yalnızlığın şirsel ve karanlık atmosferini yansıtıyorlar. Bu atmosferde konsantrasyon ve indirgme Black Mirror dizisindeki görsel dili ya da David Lynch'in kabus gibi dünyasın hatırlatıyor.

Some Remain So [FRANCE]

After performances at the *Jeune Théâtre National* (Paris) and *Sophiensäle* (Berlin), Some Remain So debuts in Cyprus. Contrasting Vivaldi's rich Nisi Dominus for solo-voice with a struggling body set in stark visual forms of light and set, Alexandre Fandard explores the radical otherness that lives inside each of us. Inspired by Samuel Beckett's quote, "We are all born crazy, some remain so", this poetic and cinematographic piece is an exploration of the physical body through psychological madness. The choreographer reveals a single man engaged in a strange struggle. What does he tell us? Does his past conceal a deep secret that words can no longer bear? Is he under the grip of a force that kills words, that gags them?

Μετά από παραστάσεις στο *Jeune Théâtre* (Παρίσι) και το *Sophiensäle* (Βερολίνο), το *Some Remain So* κάνει πρεμιέρα στην Κύπρο. Αντιταραβάλλοντας

τους πλούσιους του *Vivaldi*, *Nisi Dominus* για σόλο φωνή με ένα μαχόμενο σώμα τοποθετημένο σε άκαμπτες οπτικές μορφές φωτός και στάσης, ο *Alexandre Fandard* διερευνά τη ριζοσπαστική διαφορετικότητα που ζει μέσα στον καθένα από εμάς. Εμπνευσμένο από το απόφθεγμα του *Samuel Beckett* "Όλοι γεννιόμαστε τρελοί, μερικοί παραμένουν έτσι", αυτό το ποιητικό και κινηματογραφικό κομμάτι είναι μια εξερεύνηση του φυσικού σώματος μέσω της ψυχολογικής τρέλας.

Ο χορογράφος αποκαλύπτει έναν άνδρα που ασχολείται με έναν περιεργό αγώνα. Τι μας λέει; Μήπως το παρελθόν του κρύβει ένα βαθύ μυστικό ότι οποιο τα λόγια δεν μπορούν πλέον μεταφέρουν; Είναι κάτω από το χέρι μιας δύναμης που σκοτώνει τα λόγια, που τα τσακίζει;

Jeune Théâtre National (Paris) ve *Sophiensäle* (Berlin) performanslarından sonra Some Remain So, Kıbrıs'a da gösteriye çıkıyor. Vivaldi'nin Nisi Dominus'undaki yalnız ses ile mücadele eden bir vücutun keskin ışık ve setteki yansımاسının karşısında, Alexandre Fandard hepimizin içinde yaşayan radikal ötekliliği araştırıyor. Samuel Beckett'in "Hepimiz deli doğarız, bazılarımıza öyle kalır" sözünden esinlenen bu şiirsel ve sinematik eser, vücudun psikolojik delilik içerisindeki halinin bir keşfi niteligidir. Koreograf, garip bir mücadele içerisindeki yalnız bir adamı ortaya çıkarıyor. Bize ne söylemeye çalışıyor? Geçmişti sözlerin artık ifade etmediği derin bir sırrı saklıyor? Bu adam sözleri öldüren, onları boğan gücün etkisi altında mı?

The State [BULGARIA]

Since early 2013 Bulgaria saw more than a dozen of people, young men and women, burning themselves in public spaces in protest against a failing state, corruption, poverty and very probably – in despair. The State is about Plamen Goranov, the first who burnt himself, but also about us, the state(s) we create and the state in which we are. Performing at over 25 International Festivals and Theatres "The State takes us to a particular edge of the contemporary theatrical – a conceptual work, reflecting on the conditions of performance that nonetheless harnesses the power of narrative to look at real political issues" (Tim Etchells).

Από τις αρχές του 2013, στη Βουλγαρία, περισσότεροι από δώδεκα άνθρωποι, νέοι, άνδρες και γυναίκες, πολύ πιθανόν σε απόγνωση, αυτοπυρπολήθηκαν σε δημόσιους χώρους, διαμαρτυρόμενοι, για την αποτυχία του κράτους, τη διαφθορά και τη φτώχεια. Το "The State" αναφέρεται, σύμφωνα με τον Plamen Goranov, στον πρώτο που αυτοπυρπολείται, αλλά και για εμάς, για τις καταστάσεις που δημιουργούμε και για καταστάσεις στις οποίες βρισκόμαστε.

2013 yılının başından beri Bulgaristan'da onlarca insan, genç erkek ve kadınlar, çöken bir devlet, yolsuzluk, yokşulluk ve çok yüksek ihtişimle çaresizliğe karşı protesto olarak kendilerini kamusal alanlarda ateşe verdi. The State, kendini ilk yakarı - Plamen Goranov - ve aynı zamanda bizim, yarattığımız durum(lar) ve içinde olduğumuz durum hakkındadır. 25ten fazla uluslararası festival ve tiyatroda sergilendikten sonra "The State bizi çağdaş tiyatronun sınırlına götürüyor – gerçek politik sorunlara bakmadı anlatımın gücünü barındıran konseptsel bir çalışma" (Tim Etchells)

DUET

To Duet είναι η ένα πειραματική πλατφόρμα του Buffer Fringe στο πλαίσιο της οποίας δημιουργούνται δυάδες καλλιτεχνών. Αυτή η μοναδική Μικρομορφή ενθαρρύνει το δια-τομεακό και δια-πολιτισμικό διάλογο όπου ένας καλλιτέχνης μπορεί να διερευνήσει ένα θέμα μαζί με ένα άλλο καλλιτέχνη που προέρχεται από διαφορετικό τομέα ή/και διαφορετικό εθνοτικό υπόβαθρο.

DUET

DUET, Buffer Fringe'in Sanatçı-Dütelerinin oluşturduğu yeni deneyim platformudur. Bu eşsiz Mikro-Format disiplinlerarası ve kültürlerarası diyalogu teşvik ederek farklı deneyimlere sahip sanatçıları bir araya getiriyor. Festivalin beşinci yılında 2 uluslararası sanatçı ve 8 yerli sanatçı 5 DUET oluşturdu ve bir haftalık paylaşım ve işbirliğine dahil oldu.

SATELLITE

'Satellite', is the new format of Buffer Fringe, expanding beyond Nicosia. The idea behind this format is to reach out to communities and places that artistic and cultural opportunities are limited, with intriguing performances from Buffer Fringe and to establish new collaborations with cultural & artistic organizations in different cities of Cyprus.

Satellite Partners:

Rialto Theatre/Limassol,
PERA (GAU Performing Arts)/Girne,
Technopolis 20/Pafos,
NeMe Arts Centre/Limassol.

SATELLITE

To 'Satellite' είναι η ένα μορφή με την οποία το Buffer Fringe επεκτείνεται πέραν από τη Λευκωσία. Πίσω από αυτή τη μορφή βρίσκεται η ιδέα το φεστιβάλ να πλησιάσει, με ενδιαφέρουσες παραστάσεις, περιοχές και κοινότητες όπου οι καλλιτεχνικές και πολιτιστικές ευκαιρίες είναι πιο περιορισμένες και να εγκαθιδρύσει νέες συνεργασίας με πολιτιστικούς και καλλιτεχνικούς οργανισμούς σε διαφορετικές πόλεις της Κύπρου.

SATELLITE

'Satellite' Buffer Fringe'in Lefkoşa dışına ulaşan yeni formatıdır. Bu formatın arkasındaki fikir, Buffer Fringe'in ilgi çekici gösterilerini, Kıbrıs'ın farklı şehirlerindeki kurumlarla işbirliği halinde, sanatsal ve kültürel etkinliklerin sınırlı olduğu bölgelere götürmektir.

Satellite Partnerleri:

Rialto Theatre/Limassol,
